STIR Raises \$7,182 for Oak City Cares in November

STIR raised more than \$7,000 for Oak City Cares during a month-long fundraising event. Oak City Cares is Wake County's multi-services hub connecting individuals and families experiencing or at risk of homelessness to critical services and STIR's local charity partner. Throughout the month of November, the restaurant allocated a portion of its proceeds to benefit the organization and recently presented the donation to the Oak City Cares.

This most recent contribution was part of STIR's ongoing commitment to organizations in the Raleigh community. Chris Brett, STIR's general manager said, "We understand how important donations can be to nonprofits at the end of the year, especially during such challenging times. We look forward to announcing additional fundraising opportunities and charitable partnerships in 2021."
